On Call in the Arctic: A Doctors Pursuit of Life, Love, and Miracles in the Alaskan Frontier

It is a sudden step, in which someone caught in a crisis reveals true strength of character by abruptly rejecting the sensory world: It is not gradually for there is no transition from dependency to freedom but by a sudden shock that autonomous spirit tears itself free from the toils in which refined sensuality has entangled it, and that bind all the more tightly, the more transparent their texture is. That's the opposite of what's supposed to happen.
