Thank you Ann. Davis, F. In particular, the urban scenarios designed for depicting a Roman upper-class group of bored intellectuals, have a pivotal role in the film: the city is indeed one of the main characters. But when we are dealing with cities that already exist, their circumstances limit what kind of regime we can reasonably expect to create.

While the healing session lasts, their spirit and soul are lifted into the higher realms of conscious life where they are recharged with the force of the living God.
