Modern Fighter Aircraft Technology and Tactics: Into Combat With Todays Fighter Pilots

If you are using PUSH and PULL, and one of your workers gets way more messages than the others, it's because that PULL socket has joined faster than the others, and grabs a lot of messages before the others manage to connect.

The Road to Xian .: Part 1 (The Saga)

Breastfeeding women have lower blood pressure and respond less to emotional and physical stress than non-breastfeeding women [3241 - 44]; they also show a "relaxation response" in their brains during breastfeeding [45]. This book makes me wanna read more of the genre, something more confusing, unpredictable and fun.
